

SPIRITUAL MISCHIEF FROM THE HEART OF DETROIT, MI

WHAT

Motor City Life Groups are small gatherings of students, young adults and friends supporting each other through life, in faith and for service in the world. Each group meets regularly throughout the year at the time and place that works for them. Life Groups decide how to organize their conversations with check-ins, bible and book studies, and helping each other launch “conspiracies of goodness.”

WHY

The Methodist tradition reminds us that we offer the world our best witness and service when we are part of a band of people supporting each other in those efforts. Recent world events have shown us how powerful community can be in the face of global crisis. Resilient local communities continue to show us the power of small groups to share love, justice and grace.

HOW

Motor City Wesley is working to help form Life Groups on campuses and in local churches across Metro Detroit. To find or form a Life Group, go to motorcitywesley.org/community or text “Community” to (313) 757-0471.
